

SPLICEPRO SMART STAPLERS

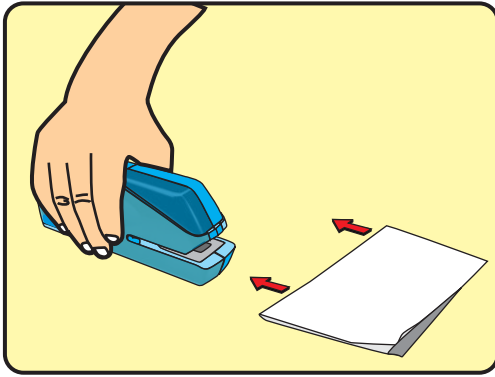

SPLICEPRO
SMART STAPLERS

Features

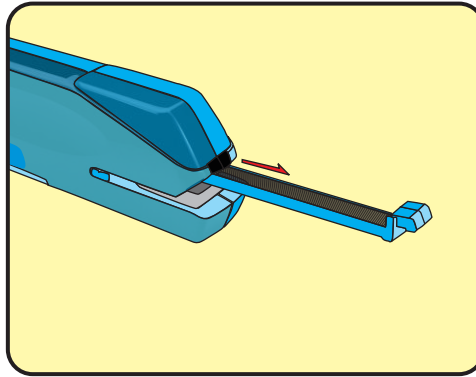

- Silent and automatic jam-free stapling of up to 25 sheets of standard paper.
- Compact and sleek size 6.9" x 2.8" x 2" stapler with impact-resistant, portable design.
- Comes included with an AC adapter cord, but also has a battery backup option for portable use on the go.
- Adjustable depths from 0.2 – 1.6 inches with 8/10 inch intervals to give you greater control and precision.
- The GM-X Stapler is a no nonsense fully automatic stapler that really works. Its sleek design and technology gives you super-fast stapling without having to worry about paper jams.
- Staples up to 25 sheets of standard 20lb paper with flawless finishing without being noisy - making this a great gadget for basic to heavy duty stapling of your office documents, home business, or schoolwork.
- The stapling mechanism and stapler motor is constructed using only the highest quality materials, ensuring that your device lasts for an incredibly long time!
- Made from impact-resistant ABS material offering a lightweight, compact, and sturdy design that is easily portable.
- Incredibly simple to use, just plug in the adapter cord included, and you're good to go!
- Reloading couldn't be easier. Simply push the one touch button at the back of the stapler, and the front-loading tray instantly pops out for quick and easy reloading.

Easy To Use

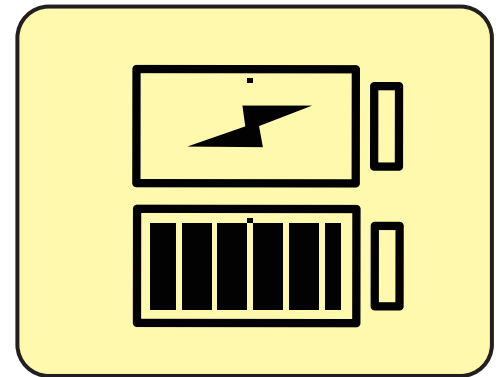

Fully Adjustable Stapling Depths

You can adjust the stapling depth from between 0.2 to 1.6 inches for your different stapling work!

Simple Plug & Play Right Out of the Box!

Your stapler comes fully loaded with standard 26/6 staples and an included AC adapter cord for immediate use.

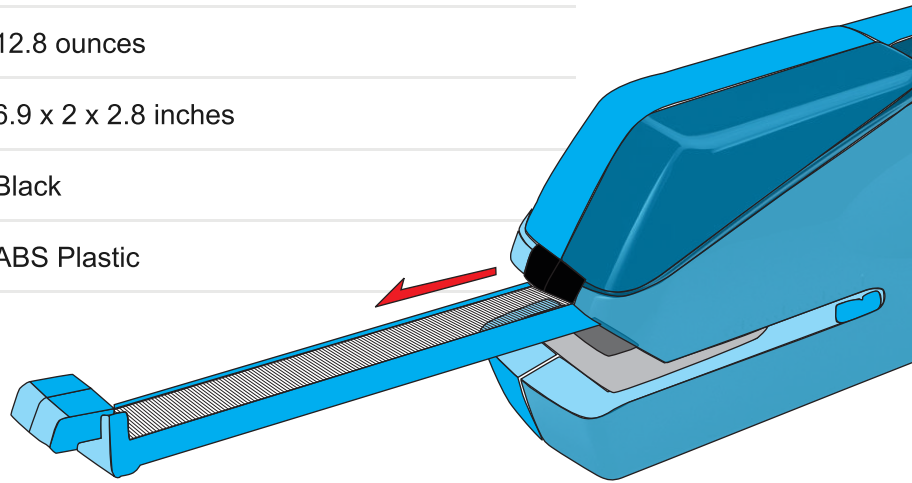

Battery or AC Power

Can be operated corded or cordless, using the AC adapter that comes included in the box, or 6xAA batteries (not included).
